Domain Team Updates:

Social Determinants of Health

The council members reviewed the accomplishments, timeline and key deliverables involving Social Determinants of Health initiatives.

Federated Team Updates:

Engagement and Enablement Team

The workgroup has established KPIs to monitor the impact of Vermont's HIE, including data on provider participation, result deliveries, clinical portal usage, and a developing metric on the average number of providers visited by patients.

Data Integration Team

The June update reports the completion of MPI and Data Onboarding KPI dashboards, which will be updated quarterly with graphs and tables, and notes an upcoming update to the Data Completeness Dashboards in August.
