Dear Mr. Gengler and Mr. McCracken:

Thank you for your communications inquiring about legislative intent and our interpretation of 18 V.S.A. § 9410 as it relates to access to VHCURES data by the Agency of Human Services. We have considered the communications from both the Agency of Human Services and the Green Mountain Care Board, reviewed the statute, and discussed the issue, and we have concluded that the relevant legislative intent is in line with the position set forth by the Agency of Human Services.

Sincerely,
