

Health Information Exchange Steering Committee Meeting

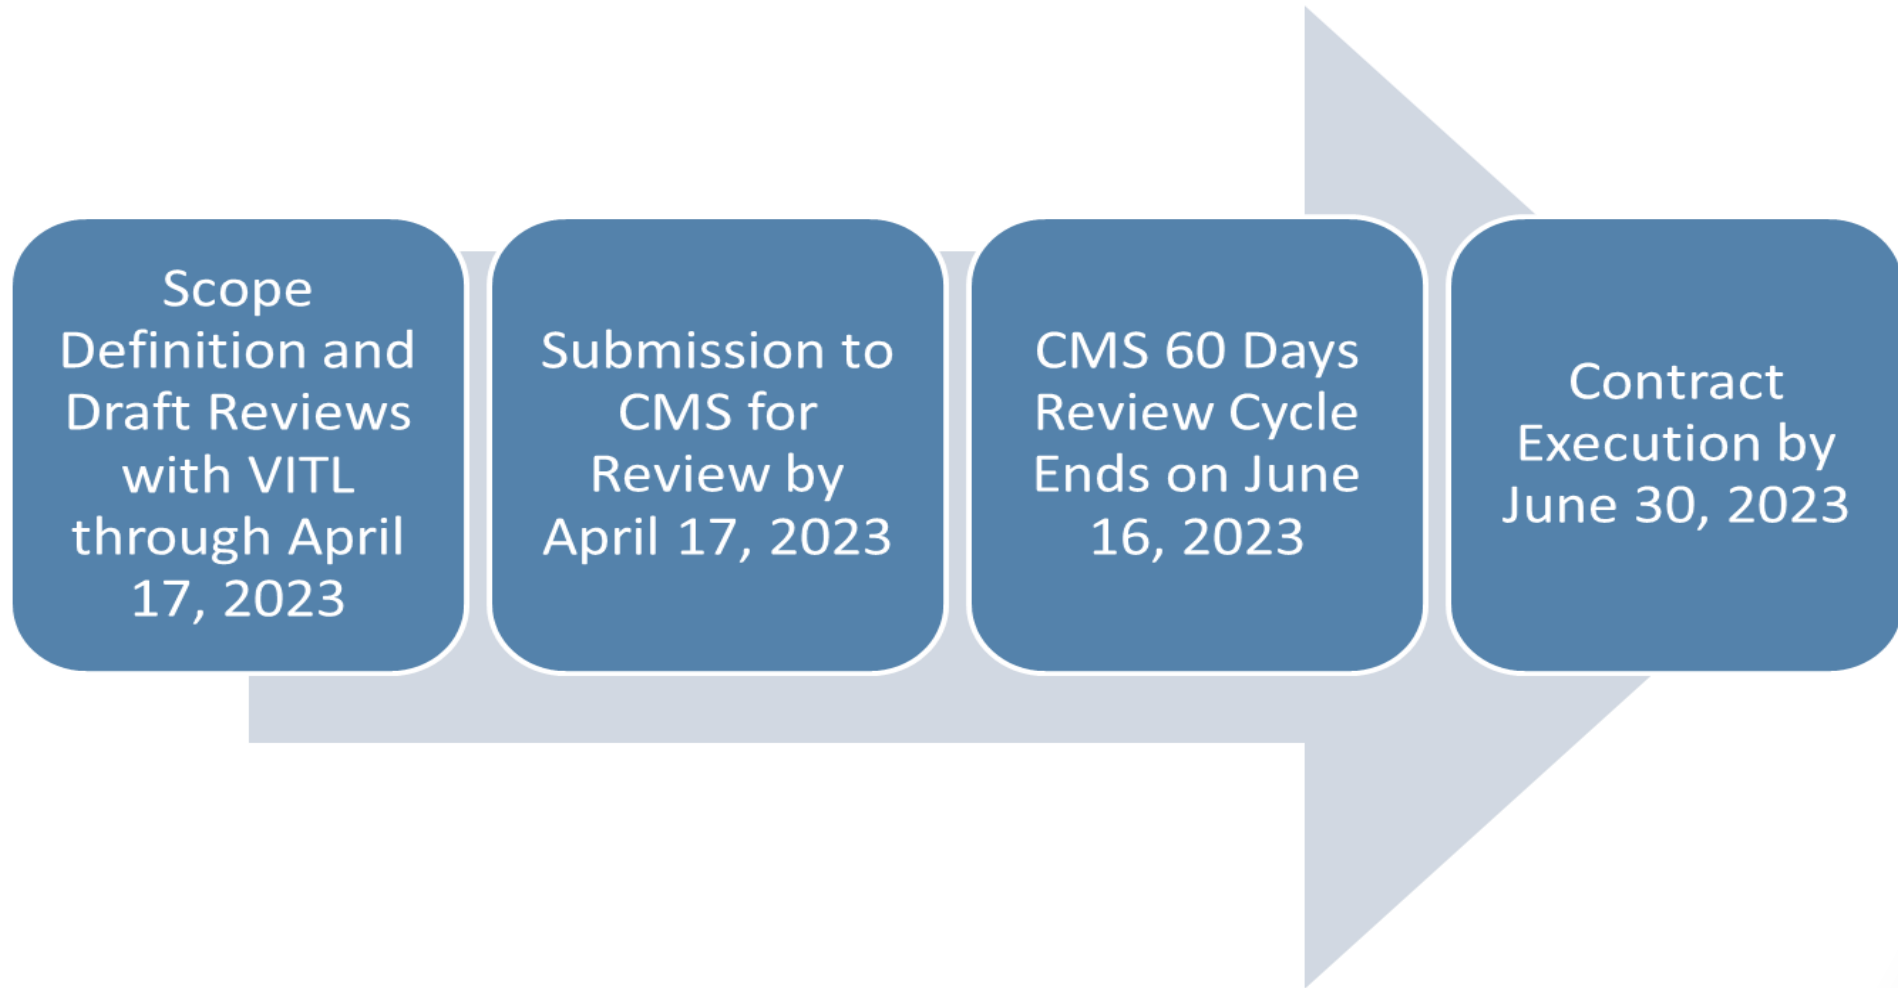

April 3rd, 2023

Meeting Agenda

- SFY24 Contract with VITL
- Promote Transparency
- MDAAP update
- VHCURES – VHIE Integration update
- Data Governance update
- eHealth Exchange – *requires separate dedicated discussion & an update to Attachment-A to clarify HIE Steering Committee's position*

SFY24 Contract with VITL

VITL SFY24 Contract Development Timeline

VITL SFY24 Contract Scope of Work -DDI

Continue to connect Providers to HIE (MDAAP and non MDAAP) - continue to support and promote data exchange by connecting providers to the HIE

Continue Bi-Directional Immunization/EHR work – Connecting Providers and Public Health

Ongoing Enhancements - API development (focus on Providers; Identity Management); enabling SMART on FHIR

Data Quality and Completeness - Improving healthcare outcomes and access for all Vermonters by providing more accurate and comprehensive information to healthcare providers

Placeholder for Potential Development on – Prior Authorization, Complex Care Management, Provider Directory, Data Warehouse

VITL SFY 2024 Contract Budget and Costs

DVHA Budget for SFY 2024: \$9.3M

M&O Proposed: \$5.2M

DDI: \$4.1M

Promote Transparency

- Promote Transparency
 - For HIE Steering Committee
 - For the Subcommittees
 - For Data Governance Council
- HIE process: healthdata.vermont.gov
 - Post the agenda 24 hours in advance
 - Post materials shared/discussed

MDAAP

- Phase 1 is underway; Goal is to better understand the HCBS providers and their needs:
 - Provider Survey (active and receiving responses)
 - Focus Group (sessions have been planned)
- Next steps will be to conclude Phase 1 Assessment and focus on Phase 2 Program Design and Implementation Planning.
 - Upon completion of Program Design Deliverable, program administrators will draft up the MDAAP Incentive Payment Protocol.
 - High level overview of the Incentive Payment Protocol will be presented to the Steering Committee for Final Review.
 - Administrators expect this to be presented by Late May or Early June.
- Phase 3 start date to be determined based on CMS approval of the MDAAP Incentive Payment Protocol.

VHCURES – VHIE Integration: Initiating

- HIE Program Team has worked with GMCB counterparts to perform initial Stakeholder analysis
- Next steps are to initiate a kickoff meeting with the stakeholder group and agree on goals for the project
