When ready click the **Save & Continue** button to review your selection, or click **Previous** to go back. Click **Reset** to restore this panel to the starting point.

(*) Red asterisk indicates a required field.

Activities related to supporting providers with the performance of Certified EHR Technology:

*1. Do you and your organization acknowledge the requirement to cooperate in good faith with ONC direct review of your health information technology certified under the ONC Health IT Certification Program if a request to assist in ONC direct review is received?
 Yes No

*2. Did you or your organization receive a request for an ONC direct review of your health information technology certified under the ONC Health IT Certification Program?
 Yes No

If yes, did you and your organization cooperate in good faith with ONC direct review of your health information technology certified under the ONC Health IT Certification Program as authorized by 45 CFR part 170, subpart E, to the extent that such technology meets (or can be used to meet) the definition of CEHRT, including by permitting timely access to such technology and demonstrating its capabilities as implemented and used by you in the field?
 Yes No Not Applicable

*3. In addition, do you and your organization acknowledge the option to cooperate in good faith with ONC-ACB surveillance of your health information technology certified under the ONC Health IT Certification Program if a request to assist in ONC-ACB surveillance is received?
 Yes No Decline to answer

*4. Did you or your organization receive a request to assist in ONC - ACB surveillance of your health information technology certified under the ONC Health IT Certification Program?
 Yes No Decline to answer

If yes, did you and your organization cooperate in good faith with ONC-ACB surveillance your health information technology certified under the ONC Health IT Certification Program as authorized by 45 CFR part 170, subpart E, to the extent that such technology meets (or can be used to meet) the definition of CEHRT, including by permitting timely access to such technology and demonstrating capabilities as implemented and used by you in the field?
 Yes No Decline to answer

Actions related to supporting information exchange and the prevention of health information blocking:

*1. Did you or your organization knowingly and willfully take action (such as to disable functionality) to limit or restrict the compatibility or interoperability of Certified EHR Technology?
 Yes No

*2. Did you and your organization implement technologies, standards, policies, practices, and agreements reasonably calculated to ensure, to the greatest extent practicable and permitted by law, that the Certified EHR Technology was, at all relevant times:

(i) Connected in accordance with applicable law;
 Yes No

(ii) Compliant with all standards applicable to the exchange of information, including the standards, implementation specifications, and certification criteria adopted at 45 CFR part 170;
 Yes No

(iii) Implemented in a manner that allowed for timely access by patients to their electronic health information;
 Yes No

(iv) Implemented in a manner that allowed for the timely, secure, and trusted bi-directional exchange of structured electronic health information with other health care providers (as defined by 42 U.S.C. 300j(3)), including unaffiliated providers, and with disparate certified EHR technology and vendors.
 Yes No

*3. Did you and your organization respond in good faith and in a timely manner to requests to retrieve or exchange electronic health information, including from patients, health care providers (as defined by 42 U.S.C. 300j(3)), and other persons, regardless of the requestor's affiliation or technology vendor?
 Yes No
